Nor Cal Home Loans Rebrands to Partner Firm's Brand Name, Opes Advisors, to Strengthen Its Mortgage Banking and Financial Advisory Services Offer

Vacaville office to offer comprehensive mortgage and wealth management services to communities in Napa, Solano and Yolo Counties

PALO ALTO AND VACAVILLE, CA – December 7, 2011 – Opes Advisors, a premier wealth management firm and residential mortgage bank, is pleased to announce that its strategic partner of two years, Nor Cal Home Loans of Vacaville, CA, has rebranded their mortgage company to Opes Advisors. The new branding enables Nor Cal Home Loans to offer Opes' complete range of competitively-priced mortgage loan programs and premium financial advisory services to communities in Napa, Solano and Yolo counties.

"Nor Cal Home Loans has been a partner with Opes Advisors for more than two years and it was a natural progression in our relationship for us to retire the Nor Cal brand name and become a branded Opes Advisors branch," said Nolan Solano, Nor Cal Branch Owner and Senior Mortgage Advisor. "Rebranding to Opes Advisors enables us to provide our clients with the full spectrum of financial advisory services that Opes offers, including their unique loan origination process using Opes Advantage software to help clients determine affordability within the context of their entire financial picture. We can also now offer Opes' wealth and investment management services for clients who are seeking these solutions."

Susan McHan, Opes Advisors CEO and president of the mortgage banking division, commented, "Our partnership with Nolan and his team of mortgage professionals has strengthened both of our firms. We're thrilled that they have taken the Opes brand name and that we can now offer all of our financial advisory services to the Napa, Solano and Yolo communities."
